

SPW1103

33.5" x 23.63" x 24.0" (H x W x D)

DISCONTINUED; Replaced by ARWL129NA

Highlights:

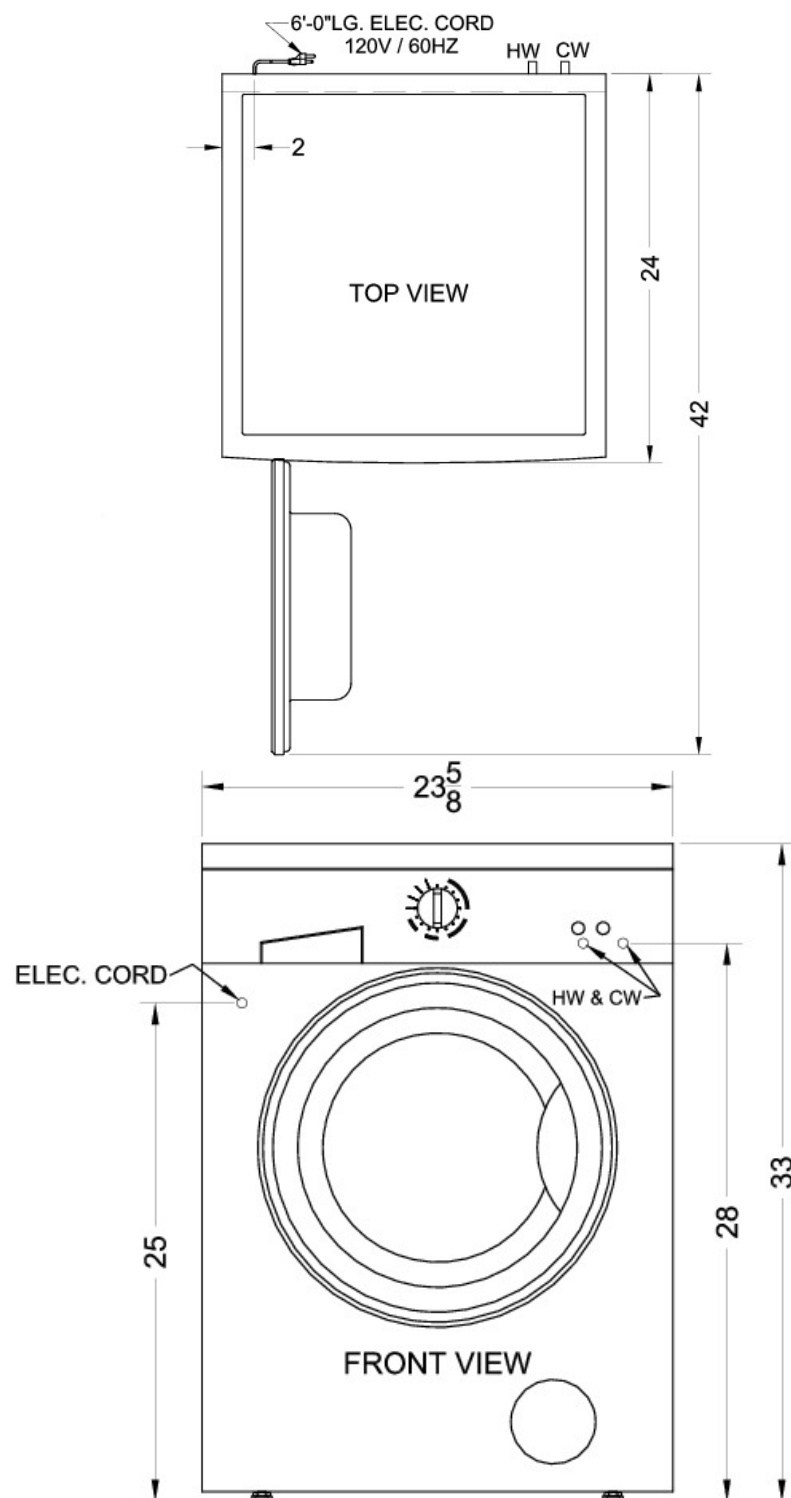

- Front-load design maximizes convenience and minimizes energy waste
- Uses less water and detergent than comparable units
- Durable stainless steel tub handles fabric with care
- Smart technology automatically adjusts for optimal washing

Front-loading	Convenient design requires less detergent and water than typical top-loading washers
Super Silent Operation	Low noise performance with reduced vibrations
Stainless steel tub	Specially designed with textured holes for perfect spinning effect and 3D rib to drop clothes directly into the center of the tub
UseLogic® Electronics	Designed with smart technology that monitors water levels and wash temperature with sensory capability
Slim undercounter dimensions	Less than 24 inches wide to fit tight spaces
Large door opening	33cm diameter for easy loading
Adjustable water levels	Set the level you need for the proper wash without the waste
Multiple wash settings	Give your clothes the proper care with an assortment of settings for cottons, synthetics, wool, delicates, and hand wash; Dial timer
Multiple temperature settings	Adjust the temperature to the fabric style and make
Matchable to other SUMMIT units	Get a complete stackable or side-by-side laundry set by combining the SPW1103 with SUMMIT dryer SPDE1113
