

FFBF245SSIM

73.5" x 23.63" x 23.5" (H x W x D)

Factory-installed ice maker on ENERGY STAR listed refrigerator-freezer with bottom freezer, frost-free operation and stainless steel door in slim 24" width

Highlights:

- True frost-free operation saves you maintenance by preventing icy buildup
- Bottom freezer adds convenience to any home kitchen
- Large capacity in space conscious 24 inch footprint
- Stainless steel door brings modern elegance to any room

Frost-free operation	Let your appliance do the work with a timer defrost heater that continuously keeps ice from forming inside
Bottom freezer	Thoughtfully designed unit saves energy waste by putting the freezer under the refrigerator to keep commonly used contents at eye level
Factory-installed ice maker	Forget the plastic trays and enjoy the convenience of ready-made ice in your freezer
Stainless steel door	Modern style meets timeless durability in fingerprint-proof doors on both the refrigerator and freezer
Interior freezer fan	Provides even temperature distribution
Energy efficient design	A bottom freezer and single compressor give this unit a better performance with energy savings
Removable transparent freezer drawers	Unique freezer design keeps the cold inside, even when the door is opened
Door storage	Keep large bottles and condiments right on the door for easy access
Adjustable thermostat	Control your food's temperature with ease and accuracy
Adjustable glass shelves	Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up
