

RGV-486GL

48" Professional, 6 Burner Gas Range W/Grill

Power, control, performance. Patented Dual Flow Burners™ allow simmer temperatures as low as 140° and high output up to 17,500 BTUs. Includes a 12,000 BTU grill and new Grease Management System™ grease channelling technology that fits neatly in the DCS DishDrawer. The large convection oven with Full Extension Telescopic Racking System makes for easy accessibility. Also available with square handle in 2015.
