

# BI540LSSHV

33.5" x 23.63" x 23.5" (H x W x D)

Built-in undercounter refrigerator-freezer for general purpose use, with dual evaporator cooling, cycle defrost, SS door, thin handle and white cabinet

**Highlights:**

Flexible design allows built-in or freestanding use in 24" spaces

Factory installed lock provides security you can count on

Improved temperature performance with our unique dual evaporator cooling

**Product Features:**

|                                     |                                                                                                                                                            |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Slim undercounter dimensions        | Less than 24 inches wide to fit tight spaces                                                                                                               |
| Built-in capable                    | Make the best use of space by installing your appliance under the counter and flush with other cabinetry                                                   |
| Fully finished white cabinet        | Allows the unit to be used freestanding                                                                                                                    |
| Stainless steel door                | Durable design with lasting elegance                                                                                                                       |
| Professional stainless steel handle | Thin 14mm diameter on stainless steel handle, mounted vertically for a sleek look                                                                          |
| Factory installed lock              | Keyed lock offers added security                                                                                                                           |
| Cycle defrost                       | This system utilizes user-friendly automatic defrost operation in the fresh food section and efficient manual defrost operation in the freezer compartment |
| Dual evaporator cooling             | Our unique and efficient design separately cools the refrigerator while maintaining zero degrees in the freezer with two evaporators                       |
| Zero degree freezer                 | Stable interior allows you to store sensitive items under reliable freezer conditions                                                                      |

## BI540LSSHV Specifications:

| Overview                         |                    |
|----------------------------------|--------------------|
| Height of Cabinet                | 33.5" (85 cm)      |
| Width                            | 23.63" (60 cm)     |
