Features & Benefits

- Even heating**
Powerful ribbon elements heat up quickly and create an even distribution of heat for perfect results whether you're searing meat or simmering sauces.
- Easy to clean**
With its strong ceramic surface, your Fisher & Paykel electric cooktop is designed to look shiny and new for years to come. It just needs a quick wipe after cooking - saving you time in the kitchen.
- Safe and sound**
Once your cooktop is turned off, indicator lights glow until the surface is safe to touch.
- Sized to suit**
Fisher & Paykel electric cooktops are perfectly flat and cool down fast so they can be used as an extension of your preparation surface when they're switched off.

- Simple to use**
Classic dial controls make this cooktop a breeze to use. No complicated buttons or switches - just turn your dial to the desired temperature and you're ready to cook.
- Designed to match**
The electric ceramic series is designed to match the rest of Fisher & Paykel's kitchen appliance family, with a stylish frameless design, sleek ceramic glass surface and intuitive controls.
