

CPV-484GG

48" DCS Pro Cooktop W/Grill & Griddle

DCS Professional grade cooktops. The advanced Grease Management System™ grease channelling technology keeps grease away from the flame to reduce flare ups. And while many gas cooktops talk about power, this one also gives you control through patented Dual Flow Burners™ that can simmer delicately at 140° or turn on the heat – up to a fierce 17,500 BTUs.

Brushed Stainless Steel
