

DD24DTI7

Tall Panel Ready Double DishDrawer™ Dishwasher incl full flex racking

This model is designed for extra headroom in the top drawer. The increased drawer height fits 330mm plates, making cleaning up after dinner parties a breeze. The DishDrawer™ Tall dishwasher can also easily accommodate oversized platters and extra-long stemmed glasses. Product shown with custom cabinetry and handle. Door panel and handle not included. Apply your own cabinetry façade and handle.

Dimensions

Depth	22 1/2"
Height	Ⓐ 34 - 36 3/8"
Width	Ⓑ 23 9/16"

Features & Benefits

- Ergonomic**
DishDrawer™ dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height so loading and unloading requires minimal bending.
- Easy to Load**
DishDrawer™ dishwashers include a range of flexible racking options. The cutlery basket can be customized for different utensils. Folding tines can be folded flat to accommodate a full load of pots. Pitch-adjustable tines can accommodate normal plates, deep bowls or slide completely out of the way. Height adjustable cup racks allow for different shapes and sizes and provide wine glass supports.

- True Half Load**
Each drawer holds a true half load for guilt-free small washes and fast turnaround of your dishes. Both drawers operate independently so different wash cycles can operate simultaneously to accommodate a variety of loads.
- Reliable Performance**
The combination of intelligent technology and simple mechanics means more space for your dishes, greater reliability and excellent wash performance.
- A history of innovation**
Find out what inspired the world's first dishwasher in a drawer 20 years ago and the incredible journey that followed.
