Features & Benefits

Ergonomic
DishDrawer™ dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height so loading and unloading requires minimal bending.

True Half Load
The drawer holds a true half load for guilt-free small washes and fast turnaround of your dishes.

Reliable Performance
The combination of intelligent technology and simple mechanics means more space for your dishes, greater reliability and excellent wash performance.

Easy to Load
DishDrawer™ dishwashers include a range of flexible racking options. The cutlery basket can be customized for different utensils. Folding tines can be folded flat to accommodate a full load of pots. Pitch-adjustable tines can accommodate normal plates, deep bowls or slide completely out of the way. Height adjustable cup racks allow for different shapes and sizes and provide wine glass supports.

Reliable Performance
The combination of intelligent technology and simple mechanics means more space for your dishes, greater reliability and excellent wash performance.
