

Trento provides professional grade performance, while being discreetly mounted inside the cabinetry. It is available with a 600 CFM or 1200 CFM blower for extraordinary ventilating power. Plus the All-In-One design avoids the need to purchase a stainless liner. Hidden metallic in/out knob controls operate the 4-speed blower and LED lighting. A cleaner kitchen is ensured by Elica's patented angled baffle filters, which capture a higher percentage of contaminants and hold larger volumes of grease than traditional baffle filters.

PLUS FEATURES

HUSH SYSTEM - An exclusive sound deadening technology that effectively reduces sound levels by over 35%

LED CONSUMER REPLACEABLE BULB - High quality LED lighting usually requires a skilled technician to replace lamps. Avoid this expense with Elica's new LED lamps that enable homeowners to replace in seconds

SEAMLESS CRAFTSMANSHIP - Heavy gauge stainless steel "Seamless" construction that delivers refined elegance.

STAINLESS STEEL BAFFLE FILTERS WITH GREASE COLLECTORS - Designed for high airflow cooking, the "S" shape design traps high volumes of grease

PROFESSIONAL PERFORMANCE - Special features and high performances for models with aspiration capacity between 600 and 1200 CFM's

HEAT GUARD - Senses extreme temperatures (>316 °F) and automatically adjusts the blower speed to HIGH
