FEATURES & BENEFITS

Easy installation

This wall chimney vent hood is the perfect partner to your Fisher & Paykel cooktop. It can be either externally ducted or internally recirculated, making it perfect for apartments.

Simple to clean

Two filters effectively trap grease particles during extraction. They are easy to remove and dishwasher safe, or can be cleaned by hand in hot soapy water.

Complementary design

This wall chimney ventilation hood's stainless steel finish will complement any contemporary kitchen and is designed to match the rest of Fisher & Paykel's kitchen appliance family.

Design quality

Made from quality stainless steel with an excellent finish and robust product design, this range hood is both visually appealing and durable.

Considered efficiency

The extraction rate ensures interior air is not excessively removed to the outside, while LED lighting on the range hood has been chosen for energy efficiency.
