

Double Oven, 30", 17 Function, Self-cleaning

Series 9 | Contemporary

Stainless Steel

Choose maximum capacity, combining two independent ovens so you can cook dishes simultaneously, with touchscreen for ease of use.

- Guided cooking using your touchscreen makes it simple to cook by food, function or recipe.
- 4.1 + 4.1 cu ft total capacity across two oven cavities, with 17 oven functions
- Non-tip, full extension sliding shelves for safe removal of hot dishes
- Accessories include food probe, smokeless grill tray, and more

DIMENSIONS

Height	48 1/2"
Width	29 15/16"
Depth	23 15/16"

FEATURES & BENEFITS

Cook with confidence

Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favorite method, a hero ingredient, or a go-to cooking function or recipe.

Generous capacity

With an incredible 4.1 cu ft total capacity in each oven, you can

create several perfectly cooked dishes at once using multiple shelves.

Multi-function flexibility

The cooking functions have each been tailored, tested, tweaked and perfected to ensure that no matter what you're cooking, you've got the right heat to match. Purchase our Wireless Temperature Sensor accessory and precisely monitor cooking in real time (accessory sold separately).

Exceptional performance

AeroTech circulates heat evenly for a consistent temperature throughout the cavity, helping you ensure perfect results even when cooking on multiple shelves.

Self-cleaning

Our self-clean technology breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth. The enamel coated side racks don't need to be removed when using this function.

Design freedom

Designed to fit seamlessly into your kitchen, this built-in oven features premium materials and detailing to support a cohesive, considered kitchen design.
