

ADA24RGL

ADA SERIES

Stainless

Black

FEATURES

PERFORMANCE

- 5.3 cubic feet overall capacity allows for storage of more than 7-1/2 cases of 12 oz beverages
- Touch pad digital control featuring easy view command center manages key functions and provides user alerts such as a door open alert
- Digital controlled single-zone convection cooling system provides a stable and consistent environment for optimum food and beverage storage
- Temperature setting from 34 to 45° F
- Sabbath / Blackout mode turns off all lighting, controls display and automatically resets after 36 hours
- Automatic defrost
- UL residential and commercial listings

INTERIOR / EXTERIOR

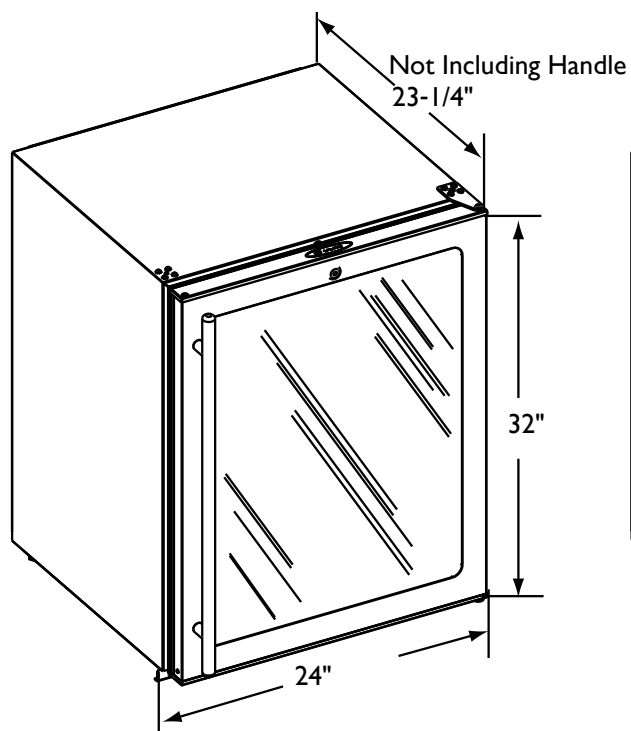

- 32" height meets ADA height requirement yet maximizes allowable space
- 4 heavy duty chrome wire shelves
- Standard commercial stainless steel handle is interchangeable with professional handle option on stainless steel model
- Stainless steel model has stainless wrap door with black end caps and must be ordered left or right hand hinged
- Black door model is field reversible
- LowE coated, argon gas filled thermopane glass door provides protection from harmful UV rays and added insulating energy efficiency
- Black vinyl clad textured cabinet is more resistant to scratching, peeling and flaking
- Door lock is standard on all models

INTEGRATION

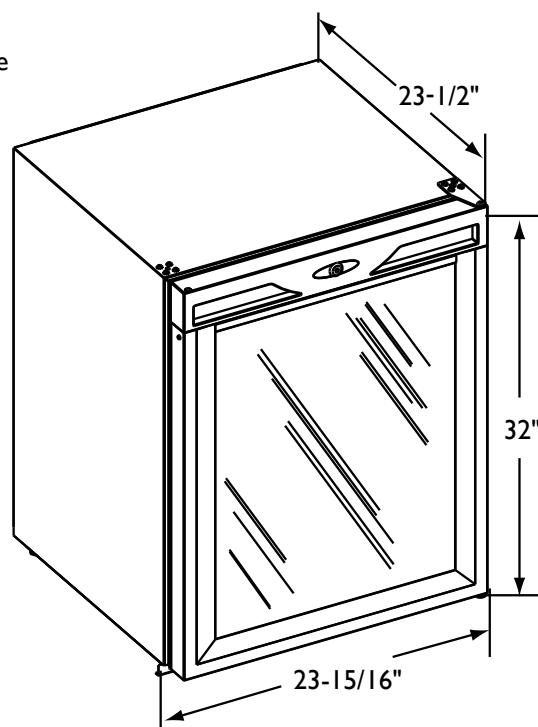

- Unit can be built-in or freestanding providing a custom aesthetic
- Allow a 2-1/2" clearance on hinged side for 90° door opening when installed adjacent to a wall (for stainless steel model)
- Allow 1/4" width overall for proper installation (see backside for details)
- No additional clearance around sides, top or rear of unit is needed for ventilation
- Durable, factory installed level legs provide a more precise undercounter fit
- Do not obstruct front grille air flow

Single Zone
Convection Cooling
System featured in
