SIMPLICITY AT ITS BEST

Sometimes less really is more. That's why we've created a microwave to fit simpler needs. Equipped with 1.4 cubic feet capacity, 1200 watts, sensor cook and one touch settings; you get the features you need for a great performance. Plus, our microwave includes child lockout to prevent the oven from accidentally being started. Keep cooking just how you like it, simple.

Sensor Cooking

Sensor cooking technology senses humidity levels within the oven and automatically adjusts cooking time and performance to provide superior heating performance.

One Touch Settings

Makes it easy to cook and warm a variety of food – from a cup of coffee to chicken nuggets.

Child Lockout

Enables you to lock the keypad to prevent the oven from being accidentally started.
